

WAV LEASE LICENSE AGREEMENT

Producer / Beatmaker: LIGHTNESS

License Price: \$25

License Type: Non-Exclusive WAV Lease

1. License Type

The license is non-exclusive. The Producer retains the right to sell the beat to other artists, issue additional licenses, and sell an exclusive license.

2. Provided Material

The Licensee receives the instrumental in WAV format (high quality). Trackouts (stems) are not included in this license.

3. Permitted Use

The Licensee may record a song using the instrumental and distribute it on digital platforms such as Spotify, Apple Music, YouTube, SoundCloud, TikTok, and others.

4. Usage Limits

- Up to 10,000 sales or downloads
- Up to 500,000 streams across all platforms
- 1 music video (up to 500,000 views)

5. Monetization

The Licensee may monetize the track on streaming platforms and YouTube. The Producer retains the right to use copyright protection systems such as Content ID.

6. Producer Credit

The Licensee must credit the producer as: Produced by LIGHTNESS or Prod. by LIGHTNESS.

7. Copyright

The Producer retains 100% ownership of the instrumental. The Licensee owns the vocal recording and master recording of the song.

8. Prohibited Actions

- Reselling the instrumental
- Sharing the instrumental with third parties
- Uploading the instrumental to Content ID systems
- Using the instrumental in films or advertisements without additional licensing

9. Exceeding Limits

If usage limits are exceeded, the Licensee must purchase an upgraded or exclusive license.

10. License Term

The license is perpetual provided that all usage limits are respected.
